Dear Donor,

SENG (Supporting Emotional Needs of the Gifted) is the only organization dedicated to fostering and supporting the unique social and emotional needs of gifted individuals and their families. We will be holding our 25th Annual Silver Anniversary SENG Conference, *The SENG Summit: Reaching Attitudes and Altitudes*, July 18-20, 2008 in Salt Lake City, Utah, and would like to invite you to contribute an item for our silent auction fundraiser!

This conference attracts families and professionals from all over the United States and Canada, as well as from other countries. It is an opportunity for parents, educators, mental health professionals and gifted adults to broaden their knowledge, and to network and discuss ways to provide for the unique affective needs of gifted children and adults.

A silent auction featuring donated items provides a fun social event, as well as an opportunity for us to raise needed funds to continue our national efforts. We will gladly accept donations of any size or type -gift cards and certificates, non-perishable food items, and especially those items we can display that the winning bidder can take home right away! Donors will be gratefully acknowledged next to their displayed items. All profits from the event will go directly to SENG, a 501(c)(3) non-profit organization.

Please fill out the form below, saving your receipt, and mail it in with your donation to: **Eric Lyon, SENG Auction, 2030 East 3110 South, Salt Lake City, UT 84109.**

Thanks!

Save this portion for your records.
